

WE are happy to have had the privilege for the past 35 years to play such an intimate and vital part in the development of the community of Mount Pulaski by furnishing its electric power.

TODAY electricity plays an increasingly important part in the homes and farms of this area, providing light, heat, cooling, and the power and the willingness to do a huge variety of jobs. Electricity is truly your most useful and least expensive servant day after day.

TO OUR MANY FRIENDS AND CUSTOMERS in the Mount Pulaski Community:

Our sincerest congratulations on the years of progress your community is celebrating. It is an achievement to be proud of. Our wish is for the greatest success in your Sil-Tennial Celebration and for continued progress by Mount Pulaski for the next 125 years!

**TODAY** electricity plays an increasingly important part in the homes and farms of this area, providing light, heat, cooling, and the power and the willingness to do a huge variety of jobs. Electricity is truly your most useful and least expensive servant day after day.
