MODERN CONVENIENCES
FOR MOUNT PULASKI

¶¶ As we join in the Sil-Tennial Celebration we think back to the life of the early pioneers and the hardships of life they suffered to settle this area.

¶¶ Not the least of the things that make life today more pleasant and enjoyable are the conveniences of up-to-date heating and plumbing. It is our pleasure to install and maintain these items for the business establishments and homes in Mount Pulaski.

¶¶ May we take this opportunity to congratulate Mount Pulaski on its 125 years, and to thank our many friends and customers for the opportunity to serve them.
