cals took at the hands of Latham two years ago, and which has been worrying the locals, altho they won from them last year in a hard-fought battle. The score this year was 60 to 26.

Latham put up a courageous fight and never gave up despite the size of the score and the big advantage the locals carried in height and reserve material.

Coach Yates used his second team a portion of the game. They did pretty good the first time they went in but their second appearance found them taking a licking.

Buckles and Veech, with 16 and 14 points, led the scoring spree, with West picking up 9 and Thrasher 6. Tuley was Latham's constant threat, with Little, guard, doing some nice shooting. Each got 8 points.

The reserves won 26 to 20.
