Here's Why I Go to Holmes' for Service

"I have been going to Holmes' for a number of years now and I've found they do a perfect job on my car. When ever I bring my car in for a check-up, they always look for the small things on a car that need service as well as the main ones. If I bring the bus in and tell them something needs fixing, they not only fix my complaint but usually find some other minor part that needs fixing or replacing and at no extra cost either. I have been well satisfied with Holmes'; they not only have treated me royally but their prices are reasonable, too. I advise everyone I meet to have their cars serviced at Holmes' and they tell me later they were glad I tipped them off. Try them today, you will be satisfied, too."
