To Our Many Customers--

We find it necessary to reduce our volume in some manner - due to Sugar Rationing. Therefore Ey's Bakery will be closed for one week from—

Oct. 19 to Oct. 26

We sincerely hope all our good customers will appreciate our position.

After all, this is a small sacrifice for any business to make in comparison to the sacrifice our Sons' are making to WIN THE WAR.

Lincoln, Illinois.

TO THE VOTERS OF LOGAN COUNTY:

As all citizens are deeply interested in the continued progress of our schools and the qualifications, experience, and educational policies of the candidates for the office of County Superintendent of Schools, I am presenting such information to all voters irrespective of their party affiliation.

QUALIFICATIONS: Graduate Teachers' Normal Department of Valparaiso University and Lincoln College, with Bachelor and Master of Arts degrees; hold Teachers' State Life Supervisory Certificate; have had special courses in school administration, school finance, and supervision; and have a thorough knowledge of school law.

EXPERIENCE: Teacher of a rural school, principal of schools, and county superintendent of schools. As all of this experience has been in Logan county, I am familiar with the present condition and needs of our schools and the duties of the office.

MEMBER: National Education Association, Illinois Education Association, Illinois School Masters' Club, County Superintendents' Association, State Examining Board for Teachers' Certificates, Christian church, and Logan County Farm Bureau.

ADMINISTRATION: Have improved the curricula of our schools and encouraged the professional growth of teachers; have not recommended frequent changes of text books; have been conservative in recommendations concerning school equipment and building improvements; economical in the conduct of the office; and have worked to raise the standard of all schools of the county. The school buildings, equipment, finances, courses of study, classification of pupils, and qualifications of teachers are of a high standard. In education, Logan county ranks among the leading counties of the state.

Your Support Will Be Greatly Appreciated

Sincerely yours,

E. H. Lukenbill
