Raymond Downs

Republican Candidate

For SHERIFF

OF LOGAN COUNTY

Promises Prompt, Honest, Efficient and Courteous Service to the residents of the county if elected to the office.

In Police Service since 1939, and is also a Federal licensed police radio operator.

TO ALL THE VOTERS:

I am sorry that I have not been able to see all of the voters as a candidate should try to do in normal times. I have done what I could, but I have also tried to fulfill my duty as a Lincoln police officer and to save my tires as requested by the U. S. A. Under these circumstances, I desire to make a public pledge that, if elected, I will not engage in any other business but will devote my entire time to the duties of the Sheriff's office, and I will give prompt, honest, efficient, and courteous service to all throughout my entire term.

Your support will be appreciated at the election November 3rd.

Testimony of the Christian

By TERTULLIAN (150-230)

If you would have faith in God and nature, have faith in the soul: thus you will believe yourself. Certainly you value the soul as giving you your true greatness—that to which you belong, which is all things to you, without which you can neither live nor die. What the soul may know from the teachings of its chief instructor, thou canst judge from that which is within thee.
