Your Retail Grocer is America's First Line of Defense

HEALTH GIVES VIGOR TO OUR NATIONAL DEFENSE EFFORT!

From Maine to California, from the Gulf to the Great Lakes, a great army is operating in the defense of America. This army is made up of America's retail grocers . . . men who occupy a front line position in our battle for national welfare. They're the ones, part of a vast, efficient system, that puts the finest foods in the world on your table . . . they're the ones who are defending America's health—without them without health, no gigantic national defense program such as is in progress now would be possible! Good food builds a strong nation. Your grocer, and those with whom he cooperates, make good food available to you, and at prices as reasonable as economic conditions permit
