The custom of showering rice on newly married couples comes from India, rice being with the Hindus an emblem of fecundity.

Non-High School Tuition Report

The board of education for the non-high school district of the county met on April 19, 1932 to canvass the results of the annual election, to organize the board, and to pay claims for tuition. Mr. John Zimmer of Emden was re-elected a member of the board. The other members are J. L. Williams, Chestnut, and Lee C. Stone of Middletown.

The tuition claims were carefully checked by the board and the secretary authorized to issue orders to pay the same as tax funds are collected. Because of the semi-annual payment of taxes, there were not sufficient funds available to pay all tuition claims in full. At least 60 per cent of each claim has been paid when the second installment of real estate taxes is collected.

Below is given a report of the tuition claims for the school year of 1931-1932:

Pupils	Rate	Tuition
Lincoln	8	\$115.00
Emden	25	211.00
Chestnut	20	213.66
Middletown	24	136.55
Atlanta	2	191.00
Beason	1	226.55
Mt. Pulaski	8	175.46
Hartsburg	15	213.00
Cornland	10	127.27
Elkhart	6	174.43
New Holland	3	224.98
Waynesville	4	168.44
Hittle Twp.		
Armington	7	201.38
Peoria	1	128.68
Greenview	2	175.23
Minier	1	174.00
	137	\$23,072.13

Some of the pupils attended only part of the year, hence the number of pupils times the rate of tuition for any particular school does not necessarily check with the amount of tuition paid.

NOW IS THE TIME TO VACCINATE HOGS

The season for vaccination of spring pigs is here. Hogs are low in price and to some vaccination may look like an added expense to growing, but too others it is a cheap insurance against heavy loss later on. Hundreds of dollars were lost last year in the hog cholera epidemic due to the hopes of getting by without vaccinating. Why pigs should be vaccinated when young:

1. It takes less serum, thus costs less.
2. Younger pigs respond to serum treatment more readily than older animals.
3. Young pigs require less labor to vaccinate.
4. Vaccinating young means the job is done and less danger of attempting to go through the season without this insurance.

SENATE REJECTS BILL FOR VETERAN RELIEF

An avalanche of senate votes Friday buried all hopes of several thousand war veterans massed at the capitol for immediate payment of \$2,400,000,000 on their bonus certificates. By a sixty-two to eighteen vote the senate rejected the Patman bill which had swept through the house on the wave of a 211 to 176 majority.

By tabling a motion to reconsider the proposal, all further bonus movements were blocked. The vote on this was forty-four to twenty-six. Again the house "passed the buck" to the senate in order to keep in the good graces of the veterans.

Raise Whiskers To Stage Celebration

Of all the odd ways to raise money for a July 4th frolic Macomb has hit upon the most unusual when they started a whisker club to raise the funds necessary for the celebration. We have heard of raising live stock and other produce to raise money but we have never heard or read about making whiskers a paying proposition.

Clarence Riden, of Grand Rapids, Neb., steamed into Macomb the other day sporting a three weeks growth of whiskers and after explaining the reason for the enormous beard, which was to raise money for some civic enterprise in his home town, Ned Haney and A. J. Fish of Macomb became interested.

They thought of the fourth of July celebration they were craving but lacked the necessary cash. Mr. Fish called together a group representing various Macomb organizations and the matter was talked over. At first the idea of a whisker club in Macomb was not taken very seriously but they gradually became more enthused to the scheme and it was finally adopted.

It costs them one dollar to become members of the club. The club has rules and regulations and by-laws and a kangaroo court sits weekly to enforce the rules and punish the violators. If a man harms a hair of his chin it is liable to cost him a buck when the court sits. It is believed membership will total several hundred and all the money will be turned over to the Legion which will have full charge of the celebration.

Right now it looks like an avalanche toward a big membership. Frank Neylon, everyone at the Macomb garage Motor company, Dutch Cenger and his garage force, W. C. Miner and Fred Gordon. Al Ring, Chet Galloway, the police force and dozens of others signed on the dotted line, and got away to a flying start in the whisker parade.

Whiskers must stay on until July 5.
