## Gates BELTS

For FARM Machines

GATES concave sidewall\* BELTS are favored for pumps, churns, shellers, grinders, milk machines, and all other motor driven equipment because they grip the pulley firmly and do not slip.

Members of War Mothers No. 1 conducted a sale Saturday of White and Red Carnations for Mother's Day. They were assisted by several girls, and almost 700 flowers were sold. These flowers were made by disabled war veterans or their dependents. The War Mothers greatly appreciate the generous patronage and want to express their thanks to everyone purchasing a flower.

Mrs. Anna Six, daughter Miss Frances, and son Russell of Decatur, were Mother's Day callers of her daughter, Mrs. Ennis A. Downing and family.
