An Image of Our New Life

BY FRIEDRICH SCHLEIERMACHER (1768-1854)

AS soon as we become conscious of the void, then it is also a moment in which the Risen One appears to our spirit, and breathes on us anew with His life-giving power. And thus drawing only from Him, we shall attain to having His heavenly gifts becoming in us more and more an inexhaustible, continually flowing fountain of spiritual and eternal life.
