A DAY TO STOP AND THINK . . .

Let Us Cherish
Armistice Day

BE GLAD YOU ARE AN AMERICAN

In the past few years Armistice Day has taken on a new meaning . . . it is now a day on which you not only pay respect to those who gave their lives in the last war, but a day on which you also reverently pray that America can remain a land of peace and freedom.

This Armistice Day, when you face the East, give a short prayer that peace shall reign on earth very soon . . . and resolve that you will do everything in your power to preserve the peace that America enjoys. Pledge yourself to be a good American . . . vow that you will protect the American way of living and thinking.
